Exhibit E

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1982

1. SIGNIFICANT ACCOUNTING POLICIES:

Revenues and expenses are reflected on an accrual basis.

Merchandise inventory is valued at its latest landed cost. Customs and excise taxes are not included in the value of inventory where payment is due upon shipment from the bonded warehouse.

Expenditures for buildings, leasehold improvements, furniture, fixtures and equipment are capitalized and are subject to depreciation on a straight line basis as follows:

Buildings—7½% per annum.
Leasehold improvements—a minimum of 10% per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.
Furniture, fixtures and equipment—25% per annum.

2. CASH (BANK OVERDRAFT):

	1982	1981
	$	$
Cash on hand and in banks (overdraft)	(4,355,412)	(3,023,186)
Cash in transit	3,269,875	3,071,540
	(1,085,537)	48,354

3. FIXED ASSETS:

	1982		1981	
	Cost	Accumulated Depreciation	Cost	Accumulated Depreciation
	$	$	$	$
Land	1,135,423	—	801,752	—
Buildings	10,741,936	4,596,998	6,712,737	4,146,293
Leasehold improvements	2,695,964	478,342	1,618,749	169,506
Furniture, fixtures and equipment	12,650,579	6,500,063	9,662,637	4,672,301
	27,223,902	11,575,403	18,795,875	8,988,100
NET BOOK VALUE	15,648,499		9,807,775	

4. SALES:

Included in sales are non-alcoholic items amounting to $983,416 (1981—$1,021,858).

Sales made directly to Licensed Establishments by authorized Brewers' agents on behalf of the Liquor Distribution Branch totalling $130,989,255 (1981—$104,772,159) are not included in the sales reported by the Branch. The Provincial Malt Levy reported on the Income Statement represents the margin on these sales.

5. COMMITMENTS:

Employees of the Branch contribute to the Public Service Superannuation Fund 6% of their salaries for basic pension purposes, plus ½% of salaries for cost-of-living indexed increases in pension benefits. The contributions shown in the Schedule include in addition to matching employee contributions, supplementary assessments paid by the Branch to fund any deficiency in pensions for employees who retired during the year. This supplementary assessment was $2,734,019 in 1982 ($1,681,585—1981).

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1980. Details of the unfunded liability are described in the Public Accounts of British Columbia. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.

The Branch maintains inventory in its bonded warehouse for which Customs and Excise tax has neither been paid nor recorded. As at March 31, 1982 the future liability for these taxes approximates $4,300,000.

In 1979, a new procedure to warehouse imported stocks by Suppliers' Agents was implemented. Under this new concept, the Branch has a contractual obligation to purchase all inventories held by the agent should he opt out of the program. The obligation of the Branch should all agents choose to terminate their contracts, totals approximately $34,000,000 as at March 31, 1982.

Total commitments to March 31, 1982 for lease of premises amount to $28,570,000. Of this, $4,710,000 becomes payable during the year ending March 31, 1983.

6. COMPARATIVE FIGURES:

Certain of the 1981 figures provided for purposes of comparison have been restated to conform with the classifications used in the current year. These changes have had no effect on the net earnings.
